What is the hype about acai?

Acai (pronounced ah-sigh-EE) is a small, dark purple fruit native and only cultivated in the Amazon rainforests of Brazil, South America. Known for its rich taste and numerous health benefits, acai has become a global sensation, particularly for its role in creating delicious and nutritious acai bowls. These bowls combine the antioxidant-rich acai berry puree with a variety of fresh toppings, making for a refreshing and energizing meal or snack.

Acai sorbets

Our acai sorbet is perfect for acai bowls and smoothies. Vegan, packed with antioxidants and made with organic ingredients, this sorbet comes ready to serve and enjoy. The texture is ideal for easy scooping, ensuring each serving is as delightful as the last.
